

## PRODUCT DATA SHEET

### Product description

|                     |                                                        |
|---------------------|--------------------------------------------------------|
| Catalogue Number    | <b>3-051-00-0</b>                                      |
| Product description | Expell PCR 96-well plate, 0.2 mL, non-skirted, frosted |
| Sales Unit          | Case / 5 x 10 plates                                   |

### Product characteristics

|                                |                                                           |
|--------------------------------|-----------------------------------------------------------|
| Bottom Shape                   | conical                                                   |
| Skirt Shape                    | non-skirted                                               |
| Profile Characteristics        | Standard Profile                                          |
| Product Characteristics        | no medical device                                         |
| Wells                          | 96                                                        |
| Working Volume                 | 200 µl                                                    |
| Autoclavable (max. °C, period) | yes, 121°C, 20 min                                        |
| Purity                         | Free of RNase, DNase, Human DNA, Pyrogens, PCR Inhibitors |

### Size

|                   |           |
|-------------------|-----------|
| Max. volume       | 200 µl    |
| Length of product | 120.07 mm |
| Width of product  | 80.07 mm  |
| Height of product | 20.58 mm  |
| Diameter of wells | 5.22 mm   |

### Materials/colors

|                   |                    |
|-------------------|--------------------|
| Product material  | Polypropylene (PP) |
| Colour of product | frosted            |

### Packaging

|                                   |                    |
|-----------------------------------|--------------------|
| Type of Packaging                 | Bag                |
| Pcs./Bag                          | 10 plates          |
| Pcs./Case                         | 50 plates          |
| Dimension Case Carton (H x W x D) | 280 x 240 x 130 mm |
| GTIN Sales Unit                   | 4255662802912      |

### Storage and Handling

|             |                       |
|-------------|-----------------------|
| Temperature | below 35°C            |
| UV light    | protect from UV light |

- Note:** Improper storage can initiate degradation, which results in color changes and can have negative effects on the physical properties of the products.
- Safety:** The product is not classified as dangerous.
- Recycling:** The product is recyclable.
